

Notification of discontinuance

08 Dec 2023

Effective from 1st February 2024, Stratus EEG software versions: 4.0 & 4.1 will be discontinued.

Up until the day of discontinuation the Stratus EEG software versions: 4.0 & 4.1 will be available for purchase. However, after the discontinuation date, all new installations must be made using other available versions of the Stratus EEG.

Stratus EEG software versions: 4.0 & 4.1 will continue to be supported for a minimum of 5 years from the discontinuance date.
